

## **EXTENDED INSTRUCTIONAL PROGRAM**

The Osage County R-I School District shall attempt to provide continuous progress in education to fit the needs of individuals of the community. In meeting these needs, the district may provide programs beyond those offered during the regular school day. The district will pursue all available state or federal aid for its extended instructional programs.

The Board may provide school facilities for the purpose of maintaining and expanding programs and services for persons interested in adult education. Such programs shall be commensurate with the needs of the community. The Board may provide administrative, ancillary and other supportive services needed to enhance the quality of the adult education program; however, the program shall be provided only out of revenue derived by the school district from sources other than state appropriations.

### **Early Childhood**

The critical importance of the early years in determining the educational development of children is recognized by the Board. Insofar as resources permit, programs designed to help meet the physical, emotional, social and intellectual needs of preschool age children are encouraged.

The district will provide services to students with disabilities beginning at age three (3) in accordance with the Individuals with Disabilities Education Act (IDEA) and as required by other applicable law.

The district will pursue all available state or federal aid for such programs.

Summer school may also be utilized for remediation as a condition of promotion.

### **Violence Prevention**

The district may provide a violence prevention instructional program. The program shall instruct students of the negative consequences of membership in or association with criminal street gangs or street gang activity, encourage nonviolent conflict resolution of problems facing youth, present alternative constructive activities for the students, and encourage community participation in program instruction. The program shall be administered as appropriate for different grade levels and shall not be offered for academic credit. The district will contact the Department of Elementary and Secondary Education for guidance in establishing a violence prevention instructional program and will apply for any available state or federal aid.
