Describe how the LEA will coordinate and integrate family engagement strategies with these laws and/or programs
Chamois Elementary will work together with the High School, PAT, PTO, and local community groups (such as Lions Club and Chamois City Council) to provide opportunities for family engagement.
Family engagement is open to the district preschool families, families with special needs, and students identified as homeless. Staff members in those programs are able to disseminate information to their families.
Osage R1 has a homeless coordinator to service grades K-12
Osage County Health Department serves parents and students in Osage R1 district
Osage R1 (and other local organizations such as CMCA) periodically hosts a Health Fair providing health services and information to kids and families.

Annual Evaluation

The LEA conducts, with the meaningful involvement of parents and family members, an annual evaluation of the content and effectiveness of the parent and family engagement policy in improving the academic quality of all schools served under this part. Section 1116 (a)(2)(D)

Describe annual evaluation

The Chamois Elementary Parental Involvement Plan is reviewed each year at the annual Title 1 parent meeting. Parents are asked to approve the plan as is, or to make suggestions for changes that need to be made to the plan.

An annual Title 1 Program Evaluation parent survey will be administered each spring either by paper or electronically.

As part of the annual evaluation of the content and effectiveness of the parent and family engagement policy, the LEA identifies;

Barriers to greater participation by parents of participating children (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background)

Describe method(s) for identifying barriers

Osage R1 Elementary will conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of its Parental Involvement Plan. This evaluation will include identifying barriers to greater participation by parents and families with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background.

The needs of parents and family members to assist with the learning of their children, including engaging with school personnel and teachers

Describe method(s) for identifying needs

An annual Title 1 Program Evaluation parent survey will be administered each spring either by paper or electronically. The school district will use the findings of this evaluation to design strategies for more effective parental and family engagement, and to revise, if necessary (and with the involvement of parents) its family engagement plan.
