- 🎓 Each student will have 10 seats available for guests at graduation. Only those people with a ticket will be allowed in the gym.
- 🎓 Each student's group of guests will have their own section on the gym floor (social distancing) which will be determined by a random draw.
- 🎓 Students will be sitting on chairs on the gym floor as well, 6 feet apart from each other
- 🎓 We will be doing the following: Opening speech, president speech, closing speech, handing out roses, handing out diplomas and class slide show. The awards and after graduation plans will be in the program for all to see.
- 🎓 Students moving from one area to another will be done in small groups or individually
- 🎓 After the ceremony students will walk to the back of the gym and throw their hats (families will need to stay in their assigned areas for this) then proceed outside to receive congratulations from well-wishers. Those not able to be in the gym are encouraged to greet the graduates outside after the ceremony.
- 🎓 Outside, students will line up down the sidewalk where the buses normally are, and family and community members can walk down on the pavement and congratulate them.
